THE SHELTON STATE COMMUNITY COLLEGE MACE

This symbol of academic excellence, career technical achievement, and community service was completely designed and constructed in 2003 by Sam House, Ron Estes, and Jamie Lindsey, students in computerized numerical control. The College will be forever grateful to these students and their instructors, Jason Moore and Ronnie Guy, for their insight, skill, and dedication to Shelton State. The bearer of the mace and the grand marshal for the procession is the faculty member named as the recipient of the Outstanding Alabama Community College Faculty Member of 2013.

ACADEMIC CEREMONIES AND REGALIA

The pageantry and color of academic ceremonies date back to the Middle Ages; the long-standing tradition of formal procession, music, and custom honors the dignity of the occasion. However, current practices for American colleges and universities were fixed by convention beginning in the late 19th Century and subsequently revised three times, most recently in 1986. Typically, three types of gowns are worn corresponding to the degree held by the recipients. Baccalaureate and master gowns are distinguished by the sleeves and hood size; doctoral gowns are velvet trimmed. Caps are traditionally black, and a gold tassel on the doctoral cap replaces the black tassel on the baccalaureate and master caps. Hoods bear the colors of the institution granting the degree and are trimmed with colors associated with the wearer's academic discipline. Colors you may see worn by faculty in today's commencement exercises and the academic discipline are as follows:

Arts, Letters, Humanities	White	Oratory (Speech)	Silver Gray
Commerce, Accountancy, Business	Drab	Philosophy	Dark Blue
Economics	Copper	Physical Education	Sage Green
Education	Light Blue	Public Administration, including Foreign Service	Peacock Blue
Engineering	Orange	Public Health	Salmon Pink
Fine Arts, including Architecture	Brown	Science	Golden Yellow
Journalism	Crimson	Social Work	Citron
Library Science	Lemon	Theology	Scarlet
Music	Pink		
Nursing	Apricot		

You are requested to refrain from applause and congratulations for individual graduates until all graduates have been acknowledged. Such expressions detract from the recognition due the next graduate in line. Your cooperation is appreciated.
